

NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will conduct a public meeting regarding the proposed traffic operation improvements to Louetta Boulevard at IH 45 in Spring Texas. The meeting will be held on Thursday, June 7, 2012 at Spring Baptist Church, which is located at 1027 Spring Cypress Road, Spring, Texas 77373. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of the meeting is to gather public input on the proposed traffic operation improvements to Louetta Boulevard from Whitewood Drive west 0.5 miles to the South bound Frontage Road of IH 45, a distance of approximately 0.5 miles. The existing four lane divided urban roadway with a left turn lane would be modified to provide for a four lane divided urban roadway with a 12 foot wide center raised concrete median. A left turn lane would be provided consisting of an 11 foot wide travel lane with a 2 foot wide concrete raised median and a one foot curb offset. The four travel lanes would remain 12 feet wide with a five foot wide outside shoulder. All improvements would be within the existing roadway right-of-way. No additional right of way would be required for the proposed project.

Exhibits showing aerial photography and diagrammatic plans of the proposed project corridor will be presented at the meeting. Representatives from TxDOT and the study team will be available to answer individual questions. Public comments are encouraged. The diagrammatic plan showing the proposed project is on file and available for review at the TxDOT Houston District office located at 7600 Washington Avenue, Houston, Texas 77007. TxDOT offices are open Monday through Friday, from 8:00 a.m. to 5:00 p.m., excluding State holidays.

Persons interested in attending the public meeting who have special communication or accommodation needs are encouraged to contact TxDOT's Public Information Office at 713-802-5072 at least two working days prior to the meeting. Since the public meeting will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least two working days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.

All interested persons are invited to attend this public meeting. Written comments relative to the proposed project may be presented at the meeting or submitted to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386, or electronically to HOU-PIOWebMail@txdot.gov, at any time on or before June 18, 2012.
